In a signed statement which he issued array yesterday Col. Bryan said he expected to be a frequent visitor in Washington in the next fifteen or twenty years if he lives that long.

"Mt. Calm" is the name of a home the Bryans have decided to build in Asbeville, N. C. They will retain their citisenship in Nebraska, however, and the Commoner plans to vote there each election. The home in Asheville is to be used only in the summer and when he wishes to be near Washington.

Col. and Mrs. Bryan were the guests of Secretary of the Navy and Mrs. Danlels at luncheon yesterday. After that cards were left at the Whit House and an invitation to lunch with the President next week was accepted. They left last night for Asheville, where they will make a short visit.

Col. and Mrs. Bryan will spend the winter in Florida.
